- Only registered vehicles with a valid "Stamm Investments Limited" parking sticker are eligible to park in the building's parking lot. Only registered Tenants/Residents may obtain a parking sticker. Vehicles that do not have a valid "Stamm Investments Limited" parking permit sticker may park in "visitor" parking only, if it is available. Visitors may also park on city streets in accordance with applicable city bylaws.
- Vehicles that are not properly plated, stored, or inoperable are not permitted in any Stamm Investments Limited parking lot and will be ticketed/and or towed at the vehicle owners expense.
- Please note: Only 1 underground parking spot may be assigned per unit. If excess parking permits, an additional Underground Parking spot may be conditionally assigned. Conditional spots may be revoked upon 30 days notice to the resident. Underground Parking is based on a first-come-first-served and based on availability. Underground parking spots are priced according to location, size and other attributes.
    - Please indicate your preference for the type of parking desired and if available, a spot with that designation will be assigned. If a spot with that designation is not available, the next level will be assigned and charged accordingly. Designation A spots have the best location or other attributes and are considered premium spots; Designation B spots are good spots that are not as desirable as A spots; and Designation C spots are the least desirable spots and are the most economical.
- **Parking rental rates are for a full month and are not prorated.**

It is our policy that thirty (30) days written notice is required if you wish to cancel underground parking or additional outdoor parking. A Parking Cancellation form is available at the Office or on-line: www.stamminvestments.com
